10 Websites For Pet Owners

1. Pet Finder

<http://www.petfinder.com/index.html>

Pet Finder is an awesome place to learn about different types of pets. This site helps you choose, prepare for, and find the perfect pet for you and your family.

2. The Humane Society

<http://www.humanesociety.org/>

This site has lots of resources for pet owners. Learn how to take care of your pets and train them effectively.

3. Web Vet

<http://www.webvet.com/main/>

Before you go rushing off to the vet, have a quick look at WebVet.com. You can search through their comprehensive database for common animal sicknesses. You might find out that your pet has an easily treated ailment and save yourself lots of time and money. If your pet is sick, this site has loads of great information to help you provide the right care.

4. Pet University

<http://www.petuniversity.com/>

The articles on Pet University are provided by scientists, certified pet trainers, university professors, and other animal experts. This is where you can go to learn about animals and get good tips for pet ownership.

5. PetDiets

<http://www.petdiets.com/>

This is an excellent resource for dog and cat owners who are conscious of their pets diet. Get informed on healthy diets and make sure your pet is getting the right nutrients.

6. Animal Planet

<http://animal.discovery.com/>

This is the website for the Discovery TV's Animal Planet channel. It shows what's on throughout the day, but it also has lots of fun facts, and an interesting shop with fun and unique pet gifts.

7. Wikipedia

<http://www.wikipedia.org/>

Ok... so this is not really a pet specific site. However, it is an excellent resource for pet owners! If you have

questions about your pet or a particular condition a quick search on Wikipedia is a great way to find the answers you are looking for.

8. Dog Shaming

<http://www.dogshaming.com/>

This is just for fun. Dog Shaming became an online phenomenon in 2012/13. This site has loads of fun pictures to browse, but it is also a great community of pet lovers.

9. Bring Fido

<http://www.bringfido.com/>

If you are planning a vacation or want to go on a trip, you are probably concerned to some degree with what you will do with your pet. Bring Fido shows you which lodging best suits you and your dog!

*** 10. Nifty Pet Blog ***
